

# Winter Session 2021

## **AIKEN, SOUTH CAROLINA**

This year I am excited to announce that Valinor South is returning to Sandy Hills Farm and has moved our operation to the new center aisle barn! This barn includes its own private wash rack, tack room with laundry, and (best yet) private paddocks! Sandy Hills is a premiere facility boasting a full sized sand dressage arena with mirrors stretched across one side, a complete show jumping course in a large sand arena, a derby field filled with every type of cross country jump you could ask to school (means less \$\$\$ for outside schooling fees!), a track for galloping, plenty of fields to hack, and lots of turnout. Check it out at [www.sandyhillsfarm.net](http://www.sandyhillsfarm.net) and come be a part of Valinor South!

### **Training**

Full Training, includes 5 sessions/week incorporating dressage, show jumping, XC schooling, lunging, conditioning, trips off property, etc. The program is designed specifically around the individual horse's needs and is planned ahead of time between the owner and Erin.

### **Competition**

There are lots of opportunities to compete in Aiken, from schooling shows to sanctioned events, and it's a great way to get your horse a jump start on the season. Full Training includes fees for riding at the actual competition, but the owner is responsible for actual costs of entering and transport. A competition schedule will be designed for any owner wishing their horse to compete.
