Valinor Farm Cancellation Policy:

Visiting instructors commit their time to us and travel to teach here. Most require a minimum # of riders to make it worth their time. With that in mind, last minute cancellations pose a problem. If you sign up for a clinic, please let us know 1 week before the start of the clinic if you need to cancel. If you cancel after that time, and your spot cannot be filled, you are responsible for the full amount of the lesson.

Valinor Instructors require a 24 hour cancellation notice.
