

# Valinor Farm Eventing Clinic Required Equipment

Riders must wear an approved ASTM/SEI helmet at all times when mounted, and must wear proper clinic attire. Please make sure that all tack items are properly fitted and in good working order. Please check the condition of all stitching and leather, and make sure that all equipment is clearly marked with your name. Space is tight, there are no tack stalls available. Please plan to keep everything in front of your assigned stall or in your trailer.
