

Winter Session 2025

Aiken South Carolina

Team Valinor is returning to Sandy Hills Farm and will continue to operate out of the Hilltop Barn that has been our Southern Base for the past couple years! This barn includes its own private wash rack, tack room with laundry, and (best yet) private paddocks! Sandy Hills is a premiere facility boasting a full sized sand dressage arena with mirrors stretched across one side (updated footing in 2022!), a complete show jumping course in a large sand arena, a derby field filled with a variety of cross country jumps (means less \$\$\$ for outside schooling fees!), a track for galloping, plenty of fields to hack, and lots of turnout. Check it out at www.sandyhillsfarm.net and come be a part of Valinor South!

Training

Full Training includes 5 sessions/week incorporating dressage, show jumping, XC schooling, lunging, conditioning, trips off property, etc. Training Rides can be upgraded to a Lesson for a fee. The program is designed specifically around the individual horse's needs and is planned ahead of time between the owner and Erin.

Competition

There are lots of opportunities to compete in Aiken, from schooling shows to sanctioned events, and it's a great way to get your horse a jump start on the season. Owner is responsible for actual costs of entering/transport/coaching. A competition schedule will be designed for any owner wishing their horse to compete.
